In the very difficult economic times of the last few years, many families found themselves relying on resources that they had never had to utilize in the past. Some households used their retirement savings or tried to sell their homes after a job loss. Others found themselves grateful for unemployment compensation even if it didn't pay all their bills. Some adult children found it necessary to move back

in with their parents, while some families found help from a local food pantry or meal program-maybe one to which in better times they actually made donations. In Sunday's Gospel, the widow from Nain has lost her only son. In the time of Jesus, this was not only a personal loss filled with grief, but also a devastating economic event. There was no one on whom she could rely for support. With her husband gone and now her only son dead, the woman had nothing. She was in the very worst of straits. That is, until Jesus came along. Suddenly, the widow had renewed hope, as her son was raised up and restored to her. Her life could go on. The plight of our neighbors in need today is not so different from that of the widow of Nain. While we might want to have Jesus walk into town and give them their house or their job back, we know that isn't going to happen. But that doesn't mean that something can't happen. Indeed, something should! As the followers of Christ today, we are his presence in this world. When there are people suffering, we are the ones called upon to reach out and help. There might be one or the other among us who actually can offer someone a job, but most of us will help in other ways. It can be as simple as buying one extra item every time we go grocery shopping to donate to the local food pantry. We can all help!

**STEWARDSHIP** "And when the Lord saw her, he had compassion on her and said to her, 'Do not weep.'" LUKE 7:13

This verse is a great reminder that the Stewardship lifestyle is one of service, putting God first and to "love one another." Unfortunately today, many people have "passion" for activities they enjoy - their job and off-work activities. Many times our "passion" to excel is at the expense of someone else. Maybe we need to focus on a little less passion for our individual concerns and a lot more compassion for others.

**For the Week** The Altar Bread & Wine will be consecrated this week in memory of Julius Gluch, Jr. requested by his sister, Joyce and family. The Sanctuary Candle will burn this week in memory of Edward Hart at the request of his children & grandchildren.

## Friday, June 14th, 2013-Flag Day

In 1916, President Woodrow Wilson issued a proclamation that officially established **June 14** as Flag Day; in August 1949, National Flag Day was established by an Act of Congress.

### Physician-Assisted Suicide...What is at Stake? A Recipe for Elder

**Abuse** The NJ Death with Dignity Act A3328/S2259 is a recipe for elder abuse. The most obvious reason is due to a lack of oversight when the lethal dose is administered. For example, there are no witnesses required at the death; the death occurs in private. With this situation, the opportunity is created for an heir, or person who will benefit from the patient's death, to administer the lethal dose to the patient without his consent. Even if they struggled who would know? **Oppose the NJ Death with Dignity Act (A3328/S2259)** Visit: <http://www.capwiz.com/njathconf/home/>.
